The Rectory
Prendergast
Haverfordwest

In 'Y Tadau Methodistaid' The Methodist Fathers, evidently the official history of the Methodist movement in Wales, there is a reference - in the life of the Rev'd Howell Davies - to his ministry at Llysyfran in the following word: (translated from the Welsh)

'Neither is there any reference to him in the Llysyfran register. Mr Mayler found that one of the leaves belonging to this period had been torn out. It is not unlikely that one of the succeeding clergy did this, so that nothing appertaining to this noted Methodist should remain on record and in so holy a book.'

The above aspersion is unkind and untrue. Permission was given the Rev'd W.T. Watson. Rector.
